# CONDITIONS OF THE TERMINALS AND OTHER SERVICES

---

**2ND SEMESTER 2020**

Updated on 25/06/2020

VALIDITY: 01/07/2020 – 31/12/2020

The following specific conditions apply to any transports provided by NOVATRANS.  
By default, NOVATRANS general conditions shall apply with full rights.

## 1. Validity period

The below conditions are valid from **July 1st 2020 till December 31st 2020**.

## 2. Gauge

Accepted gauge is P/C 45-364. Therefore, NOVATRANS accepts the following units: 20' Dry ISO, ITU from 21' to 30', 40' Dry ISO, 40' High Cube, 45' and 45' High Cube.

The units must be correctly plated, healthy and in a good condition.

For any other container types, please consult us.

## 3. Storage and parking (NON Dangerous Goods)

The term "storage" ("hors contrat fer" or "HCF" on the invoices) used in the present "Conditions of the Terminals and Other Services" is used in relation to the parking of a ITU brought by truck, without a rail movement.

The term "parking" ("stationnement fer" or "FER" on the invoices) is used in relation to the parking of an ITU following a rail movement.

### 3.1. NOVATRANS Terminals

The following terminals managed by NOVATRANS: **AVIGNON COURTINE, MIRAMAS CLE SUD, MOUGUERRE CEF, NOISY LE SEC NOVATRANS, VALENTON NOVATRANS and VENISSIEUX NOVATRANS.**

During the invoicing of « Terminalistique », the numbers of days invoiced on our terminals are counted from the day after the unit arrival on the terminal to which are deducted potential free days. The fees are not charged on Sundays and bank holidays.

Conditions for storage and parking, free times and rates → see [appendix 9.1](#) and [appendix 9.2](#).

### 3.2. Partner Terminals

The following terminals managed by our partners: **ANVERS COMBINANT, ANVERS MAINHUB, BORDEAUX NAVILAND, DOURGES LDCT, DUISBURG RUHRORT HAFEN DUSS, DUNKERQUE NFTI, HAMBURG BILLWERDER, LUBECK SCANDINAVIAN, LUDWIGSHAFEN KTL, LYON PEH, MARSEILLE CANET TRANSAGRUE, MUNCHEN RIEM, NOVARA BOSCHETTO, NOVARA CIM, PERPIGNAN PSCCT, ROTTERDAM CTT, ROTTERDAM RSC, TOULOUSE NAVILAND, TURIN ORBASSANO et ZEEBRUGGE P&O.**

During the invoicing of « Terminalistique », the numbers of days invoiced on our partner's terminals are counted from the day after the unit arrival on the terminal to which are deducted potential free days. The fees are applied in calendar days except special cases.

An extra-handling fee will be applied on the first storage day invoiced on: **DUISBURG RUHRORT HAFEN DUSS, HAMBURG BILLWERDER, LUBECK SCANDINAVIAN, LUDWIGSHAFEN KTL, LYON PEH, MUNCHEN RIEM and ROTTERDAM RSC.**

Conditions for storage and parking, free times and rates → see [appendix 9.1](#) and [appendix 9.2](#).

## 4. Dangerous Goods (ADR)

The transport of Dangerous Goods is allowed under the rules enforced by the French law RTMDR. ADR classes 1, 6.2 and 7 are not accepted.

### 4.1. An ADR surcharge on ADR transits can be applied in certain cases\*:

- **ROTTERDAM RSC** : 15,00 € per ITU
- **TURIN** : 12,00 € per ITU

\* Non-exhaustive list. For more information, please contact us.

### 4.2. Non declaration of Dangerous Goods

A non-declaration or a false declaration on the dangerousity of the goods of a container will be invoiced **500 € per ITU**.

### 4.3. Storage, Parking and Penalties of ADR

All storage and parking of ADR units will be charged a penalty or an ADR surcharge in addition to the parking conditions in [appendix 9.1](#).
